

Starlight Miss Milly

Milly is a 32" snowflaked mare, registered BSpPS and is of the sweetest nature you will ever find, truly easy in all respects and just loves children. Comes to call and is a delight to have around.

Milly is out of a British spotted mare and is by a son of 3 times national Champion Wantsley Tintagel.

Perfect in nature, and really truly very good conformation. A nice Middle weight miniature with lovely free movement.

Handled and ridden by children in her past, it is obvious she adores them. Milly has been exposed to and is presumed in foal to Hallmarked Midas Touch.

Midas is a beautiful homebred young stallion currently unbeaten 2006 show season. Champion at East Of England and Midlands in hand..

Midas first foal is a homozygous filly, and can be viewed here www.hallmarked.freeserve.co.uk.
